**RESPONSE TO RESTRICTION REQUIREMENT/  
ELECTION OF SPECIES REQUIREMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

In response to the Restriction Requirement/Election of Species requirement sent on April 25, 2007, the applicants hereby elect Group I, namely claims 36-47 and 60, drawn to a medicament. This election is with traverse, as the abstract provided by the Examiner relates to *Mascagnia rigida*, rather than the claimed *Mascagnia eggersiana*, subspecies, ecotypes or combinations thereof of the claims of the present application. The toxicity reported by *Mascagnia rigida* illustrates that the respective medicaments are very different in properties and thus are patentably distinct compositions.

The Examiner also required the election of a species, and in response to that requirement the applicants elect the species *Mascagnia eggersiana*.

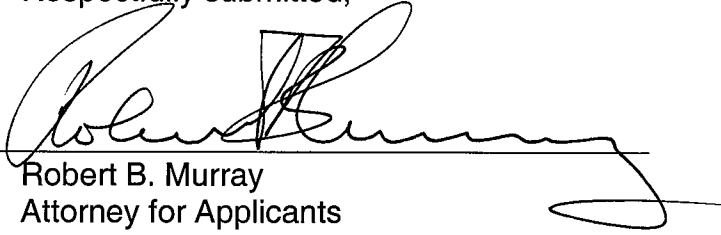

All claims read on the elected species.

Early and favorable action on the merits of all of the claims in this application is believed in order and is requested.

Please charge any fee deficiency or credit any overpayment to Deposit Account No. 02-2135.

Respectfully submitted,
